Minimum Required Score	70	65	70	65
Points awarded on inspection	70	70	70	65

Inspection Panel Summary;

This stallion is a well made horse with a good sloping shoulder. He is of adequate Irish Draught type, with a good active walk, showing good length of stride. More impulsion and length of stride would be desirable in his trot. *Leighlin Emperor* displays a good attitude and adequate athleticism for an Irish Draught horse.
