Minimum Required Score	70	65	75
Points awarded on inspection	70	65	75

#### Inspection Panel Summary;

*Coolatin Apache* is good model and a well balanced pony. He is heavily muscled, but a little plain and also weak of his back. *Coolatin Apache* displayed a good active walk but could have shown more impulsion in trot. He demonstrated an excellent attitude and a good technique in jumping although more impulsion would have been desirable
