#### Inspection Panel Summary

SCRAPMAN should develop into a good type of Irish Draught stallion although at three years of age he is still immature. This stallion has an attractive head but is a little tied in below the knee and is slightly cow-hocked behind. SCRAPMAN displays a good walk and very good powerful trot with excellent impulsion. He showed very good length of stride in canter combined with good impulsion and balance. He showed reasonable athletic ability and a good attitude when jumping.
