Minimum Required Score	70	65	70	65
Points awarded on inspection	75	75	75	70

Inspection Panel Summary;

This stallion is a correct model with good bone and conforms to the Irish Draught breed standard. He has a sloping shoulder and good depth through his barrel but is sickle hocked. *King Alton* showed a good length of stride in his walk and a good rhythmic trot. He has a well balanced canter, which enabled him to carry out flying changes with ease. While he did not demonstrate a great deal of scope he was careful and well balanced while jumping
