Inspection Panel Summary:

Stage 1: He is a nice rectangular horse but is loaded on his shoulder and has thick musculing of his neck. This horse has a very good walk which is over tracking with activity. His trot is a little stiff and pushing. He displayed a functional canter. His jump is upward with a good foreleg technique which ensures his progression to the next stage.

Stage 2: This horse has good reflexes over fences. He has nice technique, even in front with good use of his shoulder bascule and is loose behind. He shows adequate scope and is careful. His rideability could be better. He lacked suppleness and co-operation in his transitions.

Stage 2	Athleticism under Test rider: /100
