

HORSE SPORT IRELAND

Senior Eventing High Performance Director

Horse Sport Ireland is the Governing Body for Equestrian Sport in Ireland. The organisation is recognised by the FEI, OCI, Sport Ireland and Sport NI. Based in Naas the organisation manages a variety of duties across the industry including:

- High Performance Programmes, Plans and Performance targets for Eventing

The organisation now wishes to recruit the following position, Senior Eventing High Performance Director.

The Position

The position will focus on the delivery of the high performance plan 2017/2020 and on performance targets for the 2020 Tokyo Olympic Games campaign. The High Performance Director will be the architect and custodian of the high performance plan and will report directly to the CEO. The High Performance Director will take responsibility for planning, monitoring, selection and performance at International level for European, World and Olympic competition.

The Person

The position requires a thorough knowledge of competition at international level, an exemplary track record of achievement at the high performance level along with the passion, energy and drive to succeed. The ability to manage at a high achievers level, set goals and standards, monitor and act on performance and take necessary remedial action will be required. The position requires leadership, people management, communication and stakeholder management skills to ensure sustainable excellence from competing Irish teams.

The position will hold a significant responsibility in terms of the contribution of owners, support staff, industry participants, media and the supporting public and will act at all times with integrity and honesty as an Irish representative.

The position above requires an experienced leader with deep understanding of the sector, current developments and international best practice.
