Full pedigree and performance details must be provided on the form provided. **At the qualifiers, foal pedigrees will be assessed on the basis of the verified information provided on this application form to HSI.** At least three generations of pedigree should be included. Please give as much detail as possible on relatives' performance records, additional pages and documents from the relevant national (or international) sporting body verifying the performance should be included with the application and must be provided to ensure that appropriate points are awarded to your entry. HSI will not be responsible in instances where supporting documentation is not supplied.

1st Dam Name, Breed and Performance Details
1st Dam Progeny Performance Details
2nd Dam (Maternal Granddam) Name, Breed and Performance Details
2nd Dam (Maternal Granddam) Progeny Performance Details
3rd Dam (Maternal Great Granddam) Name, Breed and Performance Details
3rd Dam (Maternal Great Granddam) Progeny Performance Details

Please note: Only pedigree and performance information supplied by the entrant will be included in assessment of the damline pedigree score. The onus is on the entrant to supply full performance details for the damline (dam, maternal granddam or maternal great granddam) to HSI. Only the information when verified will be included in the calculations of the pedigree score for the qualifiers.
