

## Horse Sport Ireland Young Handler Championship Series 2018 Information Note

Horse Sport Ireland is pleased to announce details of their sponsorship for the inaugural Young Handler Championship Series 2018. The aim of this Championship is to assist in the development of the skills of young handlers to prepare and present horses for show and sale.

The Economic Contribution of the Sport Horse Industry to the Irish Economy 2017 highlighted that since 2012 the involvement of young breeders ( $\leq 30$  yrs) in the sport horse industry has declined from 8.1% to 3.7% in 2016. In 2016 just 0.19% of breeders were less than 20 years of age. The Championship is aimed at encouraging more young breeders/producers to become involved in the industry. It will also provide a unique opportunity for young handlers that are new to the industry to become involved in breeding initiatives and to gain contact and information/education and encourage long term involvement in the breeding industry.

### **Competition Format**

The Championship will run over five qualifiers held at existing shows or events within the five Irish Horse Board regions and will take place from June to September to allow for maximum participation. The top three young handlers from each qualifier will be eligible to compete in the final.

- Junior: 14 – 18 years
- Senior: 19 – 25 years

Each young handler will be required to do the following:

- Use a suitable horse or pony to compete. The young handler is not required to have bred or to own the animal. All animals must be registered in a Department of Agriculture, Food and the Marine (DAFM) Approved Studbook.
