Athlete Selection Policy for the FEI Jumping European Championship 2025

Introduction

This Policy sets out the process for selecting athletes and horses for the FEI Jumping European Championships in A Coruna, ESP 16th to 20th July 2025.

Section 1 – Key Timelines

Date	Milestone
4th June 2025	The Jumping Team Manager publishes the Long List of athlete/horse combinations under consideration for Nominated Entries.
16th June 2025 (TBC)	Horse Sport Ireland submits the Nominated Entries and Certificates of Capability to the FEI for the CH-EU-S.
On or before 26th June 2025	The Jumping High-Performance Manager announces the Final Selected Athlete/Horse Combinations (5 selected + 2 reserves in alphabetical order).
1st July 2025	(or Horse Sport Ireland submits the Definite Entries to the FEI for as per FEI deadline) the FEI Jumping European Championships.

Section 2 - Eligibility for Selection

- 2.1 All athletes and horses wishing to compete at the CH-EU-S must in the first instance achieve a Minimum Eligibility Requirement (MER) in accordance with the FEI Qualification Procedures. Please note that the achievement of the MER is basic requirement and in no way confers an obligation upon the JHPM to select an Athlete/ Horse combination.
- 2.2 It is the sole responsibility of each Athlete to ensure that they have the required MER for the level of Championship.

Section 3 - Responsibilities

- 3.1 It is each athlete's responsibility to be fully cognisant of the current FEI Rules for Jumping and the FEI Clean Sport policy.

- 3.2 Athletes must strictly abide by the following:
- a) FEI General Regulations and FEI Discipline Sport Rules
 - b) FEI Code of Conduct for the Welfare of the Horse.
 - c) FEI Equine Anti-Doping Rules and Equine Controlled Medication Rules and the Human Anti-Doping Rules as set out by the FEI and Sport Ireland.
 - d) Horse Sport Ireland General Rules.
 - e) The Horse Sport Ireland Athlete Code of Conduct.
 - f) Prompt communications with the Jumping High-Performance Manager, Team Veterinarian, and Horse Sport Ireland in relation to the HSI High Performance Programme requirements/requests.
 - g) Athletes must show a commitment to personal fitness and professional behaviour.
 - h) All Athletes selected will be required to wear the official Team Ireland kit where provided while participating at the CH-EU-S

Section 4 - Veterinary

- 4.1 Horse Sport Ireland can request that a horse be made available for inspection by the Team Veterinarian(s) or an appointed Veterinarian at any time. Athletes must comply with this request.
- 4.2 Athletes must notify Horse Sport Ireland of any change in their horse's health status or of any veterinary issues when they first become apparent.
- 4.3 The Horse Sport Ireland can send the Team Veterinarian or an appointed Veterinarian to take a blood and/or urine sample from a horse at any time, for the purposes of testing for prohibited substances, and/or FEI Pre-Arrival Testing and/or as part of an assessment of the horse's well-being.
- 4.4 Athletes (at their own expense) shall make available, upon the request of the Team Veterinarian or an appointed Veterinarian, the veterinary records of horse(s) being considered for selection. In addition, athletes, (at their own expense), shall be responsible for supplying any follow-up diagnostic information requested by the Team Veterinarian for horses being considered for selection. Failure to comply with any request of the Team Veterinarian or an appointed Veterinarian may adversely affect a combination in respect of selection.
- 4.5 Each athlete will be required to keep a medication logbook for their horses in which they shall record all products, treatments, foodstuffs and all supplements used on or given to their horse commencing 30 days before the event until the conclusion of the EU-CH-S.
- 4.6 The Team Veterinarian will be entitled to view this logbook at any time. Athletes are required to submit this logbook together with the Medication and Anti-Doping Control Declaration (Appendix 3) to the Team Veterinarian for assessment on or before the FEI Final Definite Entries in line with Rule 8.12 of the Horse Sport Ireland General Rules.
- 4.7 In the event that treatments and medications are necessary subsequent to the submission of the logbook, express approval is required from the Team Veterinarian and Horse Sport Ireland. This is a mandatory requirement to ensure that squad horses are managed appropriately within the pre-competition window and before departure.
- 4.8 For the purposes of section IV, Horse Sport Ireland reserves the right to remove an athlete combination from selection, where the athlete does not comply with any of the above veterinary requests, or the horse is deemed unsound and/or unfit by the Team Veterinarian to travel and compete at the CH-EU-S. The decision of Horse Sport Ireland on advice from Team Veterinarian is final.

Section 5 - Specific Nomination Criteria

Core Objective:

This nomination policy combines both competition and general criteria in order for the Jumping High-Performance Manager to select the IRL Jumping Team to compete at the CH-EU-S. The Jumping High-Performance Manager primary objective is to nominate the appropriate 'mix of combinations' to give Ireland the best chance of a **podium finish** at the CH-EU-S.

5.1 In assessing the performances of Combinations, the Jumping High Performance Manager will consider the following competition & general measures:

(A) Competition Measures

- i. Present form of the horse and athlete up to the date of selection.
- ii. The Jumping High-Performance Manager will primarily consider the performance of athlete/horse combinations at designated international events during the 2025 season. While some of these events occurred prior to the formal publication of this Selection Policy, they were communicated in advance to athletes as forming part of the selection pathway and will therefore be fully considered in the evaluation process. All events listed below were notified in advance to athletes as forming part of the pathway for consideration, regardless of the formal publication date of this policy.

Key events include, but are not limited to:

- **Sharjah, UAE – CSIO4*** (30th January – 2nd February 2025)
- **Abu Dhabi, UAE – CSIO5* LLN** (11th – 16th February 2025)

- **Aachen, Germany – CSIO5*** (30th June – 6th July 2025)*
 - *Considered only if the FEI deadline for definite entries has not passed.*

Other relevant international competitions and training observation sessions may also be considered at the discretion of the JHPM.

- iii. The JHPM will consider the performances of combinations during the Winter Equestrian Festival, USA, Thermal, USA and any other relevant tours in Europe in 2024 and 2025. (Vejer de la Frontera, Arezzo, Gorla Minore,)
- iv. The JHPM will consider the performances of the combinations during the EEF Nations Cup Series 2025.

- v. The JHPM will consider the performances of combinations during Doha and Sharjah CSI5*
- vi. The performance of combinations in CSI5* & CSIO5* Grand Prix's in 2024 and 2025.
- vii. World cup final 2025.
- viii. The performance of combinations in CSIO5* Nations Cups in 2024, and 2025.
- ix. The performances of combinations in CSI5* events in 2024 and 2025.
- x. Past performance (s) of the horse and athlete, separately, or as a combination.

(A) General Considerations

- i. The soundness of the horse to meet the challenges of competing and travelling to the CH-EU-S will be a significant factor in any selection decision. Athletes must keep the Team Veterinarian fully briefed on any health or soundness issues the horse may have both historically and throughout the season.
- ii. Athletes are required to disclose any illness or injury (however minor) to the JHPM and Team Veterinarian. Where it becomes apparent that a selected horse is unsound or unfit to travel or that there was a non-disclosure relating to soundness, following consultation with the team veterinarian, the JHPM reserves the right to remove that combination from selection with immediate effect.
- iii. The health and fitness of the athlete to meet the challenges of competing and travelling to the CH-EU-S will be a factor in any selection decision.
- iv. Further consideration will be given to the following general measures:
 - a. Past performances and present form of the athlete and horse as a combination and an athlete or horse's historic form;
 - b. The suitability of the Combination with regard to the likely characteristics of the arenas in La Coruna and for the expected conditions of the CH-EU-S (taking into account the objective of the team competition);
 - c. the ability of the Athlete and his/her support personnel to operate and perform in an Championship environment which is highly regulated and pressurised;
 - d. the ability of the Athlete and/or support team to contribute towards an effective team and winning orientated environment;
 - e. the overall composition of the team;
 - f. the ability and experience of the Combination to compete successfully at the highest level of international competition;
 - g. demonstrated experience and/ or success at Championship level;
 - h. the ability, or potential ability, of a Horse and/or Athlete to perform under the stress and pressure of an CH-EU-S.
 - i. the ability of the Athlete to prepare their Horse to peak condition for a major campaign, such as the CH-EU-S .

- j. consistency of performance and the likelihood of a suitable performance to contribute towards a podium outcome;
- k. exceptional ability of a Combination (and the potential to achieve a podium finish) may be a consideration and may, in the JHPM's sole discretion, place a Combination with less experience or consistency ahead of another Combination
- l. degree of commitment to the Horse Sport Ireland Jumping High Performance (HP) Programme.

Section 6 – Force Majeure

- 6.1 In considering the performances of athletes at events or other attendances in line with this policy, the Jumping High Performance Team Manager may, at his discretion, give weight to extenuating circumstances.
- 6.2 For the purposes of section 6.1 above, extenuating circumstances means an inability to compete, or perform or contribute at an optimum level arising from:
- i. Injury or illness;
 - ii. Bereavement or personal misfortune, and/or;
 - iii. Any other factors reasonably considered by the JHPM's to constitute extenuating circumstances;
- 6.3 Athletes unable to compete at events other attendances must advise the JHPM's by email of this fact and the reasons thereof as soon as practicable after the extenuating circumstances arise.

Section 7 - Removal of Athletes and/or horses

- 7.1 An athlete and horse as a combination, or separately, may be removed from nomination to FEI and FEI Definite Entries by the JHPM for any reason, including in particular the following:
