Terms & Conditions

'AIM Services' is a free mobile application provided by the Department of Agriculture, Food and the Marine (DAFM).

The terms and conditions that apply to the DAFM electronic services apply in full to the use of 'AIM Services'. To use the DAFM electronic services, DAFM requires the user to accept the 'Terms and Conditions' and that the user 'Register for Online Services'.

The data provided by DAFM to the AIM Services Web Application is the most up to date available at the time of the request. Using 'AIM Services' for DAFM electronic services requires an internet connection and may incur data or roaming charges.

To improve customer experience/service, DAFM collects anonymous data on your usage of the service app.
