Breeding Newsletter

Welcome to the HSI Breeding Newsletter

Where we celebrate the strength, quality, and future of Irish Sport Horse and Irish Draught Horse breeding. Each month, we will shine a spotlight on two outstanding stallions, exploring their pedigree, performance, and the qualities they pass on to the next generation. Whether you are a breeder, producer, or simply passionate about Irish-bred horses, we hope this series offers valuable insight and inspiration as we continue to support excellence in breeding across Ireland.

Livello

Stallion in Focus

Horse Sport Ireland has named the 5-Star rated stallion Livello as April's Stallion of the Month, recognising his elite international career and lasting influence as a sire. Bred in Germany, Livello competed at top level for Ireland, Turkey and Sweden, achieving Nations Cup success, European Championship representation and multiple CSI4* and CSI5* Grand Prix results. Standing at Belmont House Stud in Co. Offaly since 2020, he holds both 5* SJ OP and 5* SJ PP merit statuses and is the sire of top international performers including Lapuccino 2 and FTS Killossery Konfusion, continuing to shape Irish sport horse breeding well into his veteran years.

Moylough Legacy

Stallion in Focus

Horse Sport Ireland has named the Class 1 Irish Draught stallion Moylough Legacy as April's Irish Draught Stallion of the Month in recognition of his pedigree, show ring success, and exceptional record as a sire. Bred in Co. Roscommon by the late John Gilbooy and owned by Patrick Hoare of Ballinasloe, Moylough Legacy achieved Class 1 status in 2016, won the Irish Draught Stallion Class at the RDS in 2023, and earned Gold Merit in 2024 through the achievements of his progeny.

Renowned for his temperament, consistency, and lasting influence, he has produced multiple champions and approved stallions, continuing to make a significant contribution to the Irish Draught and Traditional Irish Horse breeding programmes.
