Technique: back	rounded			c							hollow
Technique: haunches	open			c							tight
Scope	much			c							little
Elasticity	supple					d					stiff
Care	careful		b								not careful
Attitude	much		b								little

Selection Panel Summary:

This traditional stallion is a blood model showing sufficient canter, reflexes, technique and scope. His rideability however, was not up to standard for his age and lets him down as reflected by his mark. His good marks reflect his usefulness as an eventing sire.

This stallion was classified as Preliminary Approved following selection by Horse Sport Ireland having passed the Horse Sport Ireland stallion veterinary examination and x-ray requirements.

Year Approved: 2026
