At the show:

At each two-day leg of the Series, there will be a qualifier class leading to a final (to be held on the second day of the show). Declarations for the finals at each leg must be made within one hour of the conclusion of the qualifier class through the SJI Live platform. The DAFM Studbook Series must be organised and run in full compliance of relevant HSI rules and criteria, [SJI articles](#) and FEI code of conduct for the welfare of the horse.

Important note on horse and rider combinations – horses must be jumped by the same rider in both the qualifiers and the finals at each two-day show. Any rider found in breach of this rule will forfeit any prize money/points earned in the respective final.

Riders must enter the ring in the running order dictated by the start list. All riders must be ready

Horse/rider combinations entered to compete in these classes are strictly limited to warming up in the designated practice arenas. Any rider found in breach of this rule by the SJI steward will be eliminated from the class.

Martingales are allowed but must be correctly fitted.

Only non-performance enhancing hind boots may be worn in these classes. If riders do not wish to use the boots as specified in the SJI Boot Rule, then no hind boots or bandages of any kind will be permitted. Failure to comply with this rule will lead to elimination of horse and rider combination.

SJI stewards will attend each leg of the Studbook Series to check boots and passports.
