## DECLARATIONS TO BE COMPLETED BY OWNER/AGENT

I hereby warrant, represent and agree as follows:

1. The foregoing particulars are true and accurate in every respect. In the event of any particulars becoming inaccurate updated revised particulars will be furnished immediately in writing to Horse Sport Ireland ("HSI").
2. I am not aware of any matter or circumstance which might affect or be relevant to the inspection or classification of the above named stallion which I have not disclosed in writing to HSI.
3. The above named stallion is and will when presented for inspection in a fit state to be handled (and in particular by HSI appointed vets) and is and will be sufficiently trained.
4. I agree to indemnify HSI on demand in full against any loss, claim or damage arising in the event of any breach of the foregoing warranties or any of them

I hereby confirm, agree and acknowledge as follows:

1. HSI are hereby irrevocably authorised to hold the inspection in public and to publish or make available for public inspection and in such a manner as they may deem fit whether in Irish Cob Studbook/Horse Sport Ireland publications or otherwise the classification inspection results and results of veterinary examination of the above named stallion and any other information furnished above or pursuant to this application, without being under any obligation so to do.
2. I have read the attached "Conditions of Irish Cob Studbook Stallion Inspections", "Irish Cob Stallion Inspection Appeal Procedures", "Classification of Irish Cob Stallions following Inspections" and the general rules of the Irish Cob Studbook and agree to accept and abide by them and any amendments that may be made by HSI thereto from time to time.
3. Without prejudice to the generality of the foregoing I agree to be bound by and to implement the Irish Cob Inspection Appeals Procedures referred to above in the event of any dispute arising in relation to this application or any inspection or classification pursuant thereto

4. (In the case of multiple owners) each of the above warranties representations and agreements are deemed to be made by or on behalf of each owner on a joint and several basis.

## **IRISH COB STUDBOOK STALLION INSPECTIONS**

The Irish Cob stallion inspections will offer owners the opportunity to have their stallion classified in the Main Elite Stallion Class or the Supplementary Elite Stallion Class. Irish Cob stallions of 2 years old or older are invited for inspection where they will be assessed mainly on their breed type, conformation and gaits. In order to attain Elite Stallion status stallions must (a) meet the inspection requirements and (b) meet the veterinary requirements.

## **CONDITIONS OF IRISH COB STUDBOOK STALLION INSPECTIONS**

1. Applications for inspection must be returned before the closing date 10<sup>th</sup> October 2014 and must contain the following:
  - Completed and signed 'Application for Irish Cob Studbook Stallion Inspection 2014' and accompanying documentation if necessary;
  - Inspection Fee of €18 (including VAT).
2. Males entered in the Main Basic Register or the Supplementary Basic Register having reached the age of two years are eligible for inspection with a view to attaining classification in the Main Elite Stallion Class or the Supplementary Elite Stallion Class.
3. Stallions that are eligible for inspection for the Irish Cob Studbook Cross Breeding Programme (eg. stallions of the following breeds: Irish Cob Partbred, Irish Piebald and Skewbald, Irish Sport Horse, Gypsy Cob, Coloured Horse, Tinker) having reached the age of one year are eligible for inspection for classification in the Main Basic Register. The inspection procedure for such stallions will be the same as for animals seeking registration in the Supplementary Section.
4. All stallions will be measured at the inspection and these measurements shall be regarded as official measurements for the purpose of stallion classification in the Irish Cob Studbook.
5. Stallions must be adequately trained and fit to take part in all aspects of the inspection. Stallions must be fit to be handled at the inspection, including handling by veterinary surgeons appointed by Horse Sport Ireland.
6. Stallion owners must have all the necessary equipment at the inspection.
7. Stallions may be photographed at the inspection and these photographs may be used in Irish Cob/Horse Sport Ireland publications or websites.
8. Horse Sport Ireland reserve the right to refuse to carry out an inspection of any stallion which is not in a suitable condition for inspection, or in instances where it may be unsafe to proceed with the inspection of any stallion.
9. Horse Sport Ireland reserve the right to take a blood sample from stallions presented for inspection in order to test for the presence of disease (e.g. CEM, EVA, EIA) and prohibited substances.
10. Horse Sport Ireland will take a DNA sample from all stallions presented for inspection. This DNA sample will be stored by the Approved Laboratory (Weatherbys Ireland) and will be used to verify the parentage of future progeny registered in the Irish Cob Studbook.

**Failure to satisfy the above conditions will result in a stallion being disqualified from inspection/classification.**

## **IRISH COB STALLION INSPECTION APPEAL PROCEDURES**

Stallions that do not meet the inspection requirements (breed type, conformation and/or movement) are eligible for re-inspection at any subsequent inspection date.

Stallions that do not meet the veterinary requirements may appeal the findings of the veterinary examination. The conditions of the appeal are as follows:

- the owner of the horse must apply to HSI to have the horse re-examined within one month of the original examination;
- the owner shall arrange, at their own expense, to have the stallion examined by the School of Agriculture, Food Science and Veterinary Medicine, University College Dublin Veterinary Hospital, or by a veterinary practice nominated by HSI;
- the re-examination shall only be carried out in respect of the condition for which the stallion originally failed the clinical veterinary examination and the decision of the School of Agriculture, Food Science and Veterinary Medicine, University College Dublin Veterinary Hospital or by a veterinary practice nominated by HSI, in respect of each examination shall be final.

## **CLASSIFICATION OF IRISH COB STALLIONS FOLLOWING INSPECTIONS**

- Stallions that qualify for classification for the Main Elite Stallion Class status following inspection will have their passports updated to reflect their classification in the Main Elite Stallion Class.
- Stallions that qualify for classification for the Supplementary Elite Stallion Class status following inspection will have their passports updated to reflect their classification in the Supplementary Elite Stallion Class.
- Stallions that do not qualify for classification in the Main Elite Stallion Class or the Supplementary Elite Stallion Class following inspection will retain their original classification in the Irish Cob Studbook.
- Stallions that are inspected under the Irish Cob Studbook Cross Breeding Programme that meet the inspection requirements will be classified in the Main Basic Register. Stallions that do not meet the inspection requirements for the Cross Breeding Programmes will not be classified in the Irish Cob Studbook.
