

HORSE SPORT IRELAND

Vacancy:
High Performance Team
Managers Youth Eventing High
Performance Programme

HORSE SPORT IRELAND

Horse Sport Ireland is seeking to engage U21, U18 and U16 High Performance Team Managers for the Youth Eventing High Performance Programme.

The candidate will focus on the delivery of the Youth Eventing High Performance programmes for 2019.

Duties & Responsibilities

The candidate will manage the implementation of the High-Performance Programme within the HSI Performance Pathway with an emphasis on podium success at the European Eventing Championships

- To act as Chef d'Equipe at the European Eventing Championships
- To attend the Youth Eventing HP Committee Meetings
- To act as selector for European Eventing Championships Team

Essential Skills

- Have a good knowledge of FEI rules & Safe Guarding
- Excellent communication, planning, problem-solving and organisational skills
- Be of the highest integrity and immune from the influence of vested interests
- Be capable of being a good ambassador for Ireland at home and abroad

Desirable Skills, Qualifications, and Experience

- A recognised coaching qualification would be advantageous
- Experience of coaching riders to international standard in the discipline of eventing
- Experience as an athlete at 3/4* international level in the discipline of eventing

The successful applicant will be a direct report to the Eventing Performance Director. Should you require more information please contact Triona (045) 854519 or alternatively send a CV to tconnors@horsesportireland.ie before **5pm 16th November 2018**.
