Pertinent Articles from Policy:

- 5.5 In the case of all of the EI115Open & EI110J national events listed at clause 5.3 above, it is the combinations position in the class in line with the 'points ranking system' rather than amongst the Junior athletes in the class, which will determine their points allocation, if any.
- 5.6 In the case of Ballindenisk CCIJ2*-L, CCI2* - S, Tattersalls CCIJ2*-L OR Tattersalls CCIU253*-L it is the combinations position in relation to other Irish Junior competitors, that will determine their points allocation if any, as long as NO XC jumping penalties have occurred.
