

# HSI Three & Four Year Old Loose-Jumping Filly Competitions

## Open to horses and ponies

### Criteria and Scoring System

These competitions are for three and four year old fillies and aim to identify young performance fillies that may be suitable for the broodmare herd. By entering you provide consent to have your filly linear profiled for research at these events. The competitions are open to any three and four year old horse that is registered in a DAFM approved Studbook or WBFSH Studbook.

A pony loose jumping competition will run alongside the horse competition this year, following last year's successful inaugural pony event. The competitions are open to any three and four year old pony that is registered in an EU Studbook. For the loose jumping pony competition there will be a height restriction based on the measurement of the height at the withers which cannot exceed a maximum of 151.0cm with shoes on the day of competition.

Passports must be available for inspection by staff and judges at the competitions. Prize money will not be paid to fillies that do not meet the registration requirements.

This year, scoring for the horse section will include pedigree points based on the performances of the filly's damline.
