

HORSE SPORT IRELAND SAFEGUARDING TRAINING POLICY

This policy is part of the Safeguarding Statement for Horse Sport Ireland under the Children First Act 2015 Section 11 (3).

This policy sets out the accepted Safeguarding Workshops in Ireland and Northern Ireland for Horse Sport Ireland together with any specific requirements for attendance and renewal of certification.

Under Horse Sport Ireland Safeguarding and Child Protection Procedures, and in line with current legislation, any individual whose role will have regular and ongoing contact with our young members or vulnerable persons in the provision of our equestrian activities **must** complete safeguarding training.

Within this policy, a list of typical roles are outlined below which require safeguarding training. A person assuming such role is required to attend the level which is appropriate to their role.

SAFEGUARDING TRAINING LEVELS OUTLINED

(a) **Safeguarding 1 – Child Welfare & Protection Basic Awareness Course (ROI & NI)**

This course educates participants on the implementation of best practice in protecting the welfare of children involved in sport. The workshop provides introductory information on codes of conduct, bullying, recruitment, etc. as well as child protection guidelines. By following the principles, policy and practical guidelines contained in the Code, sports leaders are playing their part in providing a safe and enjoyable environment in which children can learn and thrive.

(b) **Safeguarding 2 – Club Children’s Officer Workshop (ROI & NI)**

A person appointed to the *Club Children’s Officer* Position in a club must have completed the Safeguarding 1 workshop and should complete the NEW Club Children’s Officer Workshop.

The appointment of Club Children’s Officer is an essential element in the creation of a quality atmosphere for young people in your club. They act as a resource to members with regards to children’s issues and also ensure that children have a voice in the running of the club and can talk freely about their experiences. This course will help the Club Children’s Officer to carry out the function of their role in the club and support the implementation of best practice in the club. Participants will also receive a Club Children’s Officer Action Planning document as part of the training.

(c) **Safeguarding 3 – Designated Liaison Person Workshop (ROI Only)**

A person appointed to the *Designated Liaison Person* position in a club must have completed the Safeguarding 1 workshop and should complete the NEW Designated Liaison Person workshop.

The Designated Liaison Person will be the person responsible for dealing with any concerns about the protection of children. The designated person is responsible for reporting allegations or suspicions of child abuse to Health Services Executive or Social Services (NI) and/or An Garda Síochána / PSNI. It is recommended that this person is a senior club person.
