

## HSI Mare X-Ray Screening Scheme

Horse Sport Ireland (HSI) are delighted to launch an x-ray screening scheme for breeders/owners of young fillies/mares aged 2-5 years old. The DAFM scheme is open to fillies/mares who are registered/endorsed in a WBFSH/DAFM approved studbook and meet specific performance requirements. Breeders/owners will have the opportunity to apply to participate in the x-ray screening scheme by completing an online application. Following receipt of a valid application which is subsequently approved, HSI will cover the cost of the screening (up to €350 ex vat) and notify the selected HSI approved veterinarian.

Ponies are also eligible to receive funding under the scheme but must also meet the performance criteria and be registered in a WBFSH/DAFM Approved Pony Studbook.

*This scheme has three objectives:*

1. Provide breeders with an accessible x-ray screening programme for their own personal use (benchmarking their breeding herd/sales, etc)
2. Document the prevalence osteo-abnormalities the degree of bony changes in the Irish young horse population
3. Use the data as a benchmark for bony changes in the Irish herd and disseminate this information in a scientific journal/scientific conference(s)

### TERMS AND CONDITIONS

- Fillies/Mares must meet all of the following eligibility criteria:
  - Be 2-5 years old
  - Be registered/endorsed in a DAFM/WBFSH approved studbook.
  - Provide verified results demonstrating the performance criteria outlined below:  
Dam of the young horse must be a 3-star or above performance mare based on her own performance or on the performance of her progeny.  
(please see performance criteria below)
  - Sires must have an Approved/Preliminary Approved or Recognised/Preliminary Recognised classification in a WBFSH/DAFM-Approved studbook.
- Applicants must be resident in Ireland.
- Applicants must be the registered owner of the animal.
- Animals must be registered/endorsed in a WBFSH/DAFM-Approved studbook.
- All applications must be submitted before the 6<sup>th</sup> November.
- This scheme operates on a first come first served basis up to the maximum allocation facilitated by the existing budget allocation.
- Prior to completion of x-rays the applicant is required to provide;
  - Evidence of WBFSH/DAFM stallion classification
  - Evidence of 3 star performance/progeny performance for the dam
  - Evidence of ownership of the animal

- HSI will pay the approved veterinarian directly and receive each animals' x-rays directly from the clinic.
- The veterinarian will not provide any 'live' interpretation of the x-rays to the applicant on the day of screening.
- X-rays will be interpreted by HSI expert x-ray panel.
- Applicants will receive a digital copy of the X-rays & interpretation directly from HSI.
- All x-ray images will be retained by HSI for research purposes. This research will not publish any identifiable features of the animals/owners/breeders who participated in the scheme.
- This screening is solely for the purpose of documenting the incidence of a variety of orthopaedic conditions; these x-rays do not provide recommendation for subsequent suitability for sale.
- I confirm that I have reviewed Horse Sport Ireland's Data Protection and Privacy policies (available at [www.horsesportireland.ie](http://www.horsesportireland.ie) or on request) and I note that HSI only process personal data for legitimate business purposes and/or where required by law. All processing will have due regard to the DPA 2018 and GDPR 2016. I note that this personal data may include sensitive personal data, as defined within the DPA and GDPR, the processing of which requires my explicit consent. I note that HSI and selected/approved veterinary clinics will honour the rights and freedoms of the data subjects at all times, as long as there is no other overriding law which limits those privileges.

**By signing this form, I declare that:**

- **I understand and agree to the terms and conditions of this scheme in their totality**
- **I provide my informed consent to participate in this scheme**
- **I understand HSI retain ownership of all images taken under this scheme**
- **I understand and provide consent for my equines' anonymised data to be used for research purposes, including but not limited to scientific publication**
