Disclaimer:

There is currently no central database to record the breeding and performance of horses. The information provided in this programme comes from the Irish Horse Register, Weatherby's data, data supplied by the FEI, Showjumping Ireland and Eventing Ireland. International and some national results were sourced from various bodies.

Horse Sport Ireland uses every endeavour to ensure that the information it supplies is accurate. Nevertheless, this cannot be guaranteed, principally when dealing with foreign information which is drawn from a diversity of sources and may therefore be missing or out of date for this reason. Horse Sport Ireland cannot accept responsibility for any loss, damage or other liability incurred by its customers or by third parties as a direct or indirect result of information supplied. If you have any additional information about any of the horses listed please advise Horse Sport Ireland and we will endeavour to verify and include it in the future.

Please note that lists of progeny for dams are not complete and have been edited for space. Full performance damline information is supplied to the selection panel and is available by emailing: genetics@horsesportireland.ie.
