- 5.10.4 For the avoidance of doubt, the combinations respective placing or position in the classes during the 'EU-CH Pony Selection Event' event or above mentioned Nations Cup events does not have an automatic bearing on the final selection (Phase 4 EU-CH Selection) for the Championship squad of five (5) combinations plus two (2) non-travelling reserves.
- 5.10.5 Athletes who decide to participate in international competition as individuals, and who have received express permission to travel by the HPM, will have their performances noted by the HPM in an equivalent manner vis-à-vis participation at National events. This equivalency is extended only for 2022 due to the restrictions placed on athletes vis-à-vis international travel and access to events.

Phase 3 EU-CH Selection

- 5.11 On the 28th of June, five (5) championship squad places shall be allocated by the Pony Jumping High Performance Team Manager in his sole and absolute discretion to achieve the best possible result at the **CH-EU-P-S, Strzegom, (POL)** The decision of the Pony Jumping High Performance Team Manager is final.
- 5.12 Without in anyway limiting the discretion of the Pony Jumping High Performance Team Manager, the following measures will be considered in the context of the selection of the five (5) championship squad places.
- 5.13 Further, the below measures will also be considered when selecting the two (2) athlete/Pony combinations that will be named as non-travelling reserves in order. All reserves selected should be available (if necessary) to step in and to the squad up until the departure date for the Championships.
- 5.14 In assessing the performances of combinations through Phase 2-3 of the EU-CH Selection, the Pony Jumping High Performance Team Manager will consider the following competition measures:
- i. The consistency of results across competition types.
 - ii. **The final placing of the Combination (note that the score and the placing of each Combination at particular events will be considered but do not automatically position one Combination above another for selection purposes.**
- 5.15 In assessing the performance of combinations, through Phase 2-3 of the EU-CH Selection, the Pony Jumping High Performance Team Manager will give consideration to general measures. These general measures include, but are not limited to:
- i. Past performances and present form of the athlete and Pony combination;
 - ii. the suitability of the Combination with regard to the likely characteristics of the arenas at Strzegom, POL and for the unexpected conditions of the CH-EU-P-S, (taking into account the objective of the team and individual competition).

- iii. the ability of the Athlete and his/her support team to operate and perform in a FEI championship environment which is highly regulated & pressurised.
- iv. the ability of the Athlete and/or support team to contribute towards an effective team and winning orientated environment.
- v. the overall balance of the Combinations that have been selected.
- vi. the ability and experience of the Combination to compete successfully at the highest level of international competition.
- vii. Demonstrated experience and/ or success at Championship level; the ability, or potential ability, of a Pony and/or Athlete to perform under the stress and pressure of a FEI Championships.
- viii. The ability of the Athlete, their personal responsible and/or their personal management team to prepare their Pony to peak condition for a major campaign, such as the FEI Championship.
- ix. consistency of performance and the likelihood of a suitable performance to contribute towards a team medal outcome may be a consideration.
- X. exceptional ability of a Combination (and the potential to achieve an individual medal) may be a consideration and may, in the Pony Jumping High Performance Team Manager's sole discretion, place a Combination with less experience or consistency ahead of another Combination.
- xi. Strong commitment to the Horse Sport Ireland Pony Jumping High Performance (HP) Programme.

- 5.16 Athletes should note that pursuant to Art 22.7.2 of the FEI Jumping Rules, a substitution of a team member by the fifth pair (Athlete/Pony) may only be allowed in case of an accident or illness either to one of the four team Athletes or to one of the four Ponies, provided the Pony Jumping High Performance Team Manager obtains the approval of the Ground Jury. Such substitution may be made up to one hour before the start of the first round of the Team Final.
- 5.17 As a condition of selection, all selected athletes will be required to stay in the designated team hotel in Strzegom, POL. This is a mandatory requirement in order to build and maintain team spirit.
- 5.18 Further, all squad members are expected to stay and support the team at the CH-EU- P-S, Strzegom , POL.

General Measures – Applicable Phase 2-4 EU-CH Selection

- 5.19 Athletes should note that where a squad place is secured, this is wholly dependent on the athlete/pony combination maintaining fitness, form, and soundness.
- 5.20 The soundness of the Pony to meet the challenges of competing and travelling to the CH-EU- P-S, Strzegom, POL will be a significant factor in any selection decision. Pony Athletes, their Person Responsible and/or their Personal Management Team must keep the Pony Jumping High Performance Team Manager fully briefed on any health or soundness issues the Pony may have both historically and throughout the selection period.
- 5.21 From the Tuesday 24th May 2022, the ten (10) * combinations must immediately inform the Pony Jumping High Performance Team Manager and Team Veterinarian of any illness or injury (however minor). Where it becomes apparent that a Pony is unsound, and/or that there was a non-disclosure relating to soundness, the Pony Jumping High Performance Team Manager reserves the right to remove that combination from the squad with immediate effect. The decision of the HPM on advice from the Team Veterinarian is final.
- 5.22 Prior and subsequent to selection, the Pony Jumping High Performance Team Manager may undertake regular evaluations as to the combination's standard of fitness, their progress in training, their preparedness for the event and their form (as a combination and on other horses). Any advices provided by the Team Veterinarian, and support personnel may be utilised by the Pony Jumping High Performance Team Manager, where required. However, such evaluations shall be discretionary on the part of the Pony Jumping High Performance Team Manager.
- 5.23 Furthermore, the Pony Jumping High Performance Team Manager shall have the authority to remove a selected pony/athlete combination from the squad or as a reserve, where the selected pony and/or athlete has not maintained their fitness, standard of performance, or any other performance related

matter in which the HPM considers important, which is not a standard comparable to that exhibited so as to gain selection to represent Ireland at the CH- EU-P-S, Strzegom, POL.

5.24 Selected athletes may be required to travel to an additional Show or High Performance training event before the European Championships in Strzegom, (POL) 03 – 07 August.
