III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The Long version of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>.

The Organizing Committee (OC) in accordance with the FEI reserves the right to invite approximately 170 5-yr old horses, 190 6-yr old horses and 140 7-yr old horses entered only by their NF plus approx. 30% additional wildcards from the Organizing Committee (except the competitions for the Sires of the World). The quota for each country is for horses registered in a studbook which is originally recognized in that country. Countries, which are not mentioned, because there is no WBFSH Member Association, can apply for a FEI Quota-place.

FEI Quota / Foreign-Bred Horses

- a. The OC will only accept entries for the FEI Quota made by the concerning NF's invited by the OC.
- b. NF's of countries not included in the above mentioned WBFSH quota, can apply to the OC for a starting place within the FEI Quota.
- c. Horses that wish to be eligible to receive a starting place within the FEI Quota must be registered at a studbook which is member of the WBFSH.
- d. FEI Quota places can be provided to horses which for instance qualified themselves but have not been selected as their native country is not the same as their country of residence.
The OC, in accordance with the FEI, has the right to adjust the number of quotas in case too many qualified horses apply for a starting place. This might be the case when in the country they have qualified themselves, the NF does not want to take them in their quota. This is to keep the number of horses from one breeding area in proportion .
- e. NF's who have been given a WBFSH quota, cannot apply for a starting place within the FEI Quota for horses that are registered in the national studbooks of the nation of that NF.
- f. **All applications have to be motivated by the NF's and must be accompanied with show results. These results have to be send by email to the organizer.**
- g. After the closing date for the definite entries all NF's will be advised about the provided starting places.
- h. **The OC, in consultation with the FEI, will decide upon startingplaces; no further appeal is possible.**
- i. Starting places are only provided to specific selected horses. Once these horses are selected, they cannot be substituted by a NF. Only the OC can allow substitutions.

Although the FEI encourages the NFs to cooperate with the WBFSH Breeding organization(s) originally recognized in their country, the selection procedure and entries remain the responsibility of the NF.

Athletes are invited by the Organiser through their National Federation.

One (1) groom per athlete.

Each rider may enter a maximum of 6 horses in the entire Championships (CH-M-Y H) and maximum 3 horses in every category/competition.

As an exception to the General Regulations of the FEI, the National Federations can enter riders of another nationality, providing the National Federation of the rider's nationality does not object.

Horses born in the southern hemisphere are regarded to change age on the 1 July, that means f.e. that horses born prior to the 1 August 2015 shall belong to the year of birth 2015, and horses born on 1 August 2015 or later shall belong to the year of birth 2016.

2. INSURANCES AND NATIONAL REQUIREMENTS

Equestrian sports involve inherent dangerous risks. To the greatest extent permitted by law, the FEI and the FEI Event Organiser shall NOT be liable for any damages relating to loss of property or injury of any kind to Athletes, Owners, Support Personnel or Horses at or in connection with an FEI Event and the FEI expressly excludes all such liability.

2.1. ATHLETES, OWNERS AND SUPPORT PERSONNEL

2.1.1. Personal Accident and Health Insurance

It is your responsibility as an Athlete/Owner/ Support Personnel to ensure that you have adequate personal accident insurance in place to cover your participation at FEI Events and in particular to insure against any personal injury or medical expenses arising from an accident, injury or illness which may occur at a FEI Event.

You should check with your National Federation to confirm if your National Federation's insurance policy (if any) covers personal accidents and/or illnesses which may occur when you are attending/participating in FEI Events.

If your National Federation does not have a personal accident/health insurance policy or if the National Federation's insurance policy does not cover personal accident or health claims, then you should obtain your own personal accident and health insurance policy to cover your attendance/participation at FEI Events.

2.1.2. Personal Property Insurance

You should also ensure that you are insured against property loss, theft or damage which may occur at an FEI Event.

Again, the advice is to check with your National Federation to confirm if they have an insurance policy in place which would cover you in case of such property loss, theft or damage. If not, then you should obtain your own personal property insurance to cover such situations.

2.1.3. Press Equipment

Press equipment and other items left in the Press workroom, Press lockers, the Press Tribune or anywhere on the showgrounds are left entirely at the owner's risk. The Organising Committee does not accept any responsibility for any loss or damage to such equipment or items. Members of the Press are advised not to leave any equipment or personal items unattended.

2.2. ATHLETES AND OWNERS

2.2.1. Third Party Liability Insurance

As an Athlete/Owner you are personally responsible for damages to third parties caused by you, your employees, Support Personnel, your agents or your Horses. You are, therefore, strongly advised to take out third-party liability insurance providing full coverage in relation to FEI Events at home and abroad, and to keep the policy up to date.

The FEI and the Organiser will NOT be responsible for any damage caused to third parties by you, your employees, Support Personnel, your agents or your Horses.

2.2.2. Additional Liability Information

To the greatest extent permitted by law, the organizer, the Organizing Committee and all persons working for the Organizing Committee shall not be liable for any material of physical damage, accident or illness which may occur to owners, renters, competitors, horses and grooms, under any circumstances, within or out of the competition ground before, during or after the competitions. The Organizer, the Organizing Committee and all persons working for the Organizer shall not be liable for damage to driving vehicles, saddlers, stable attachment and other property (including theft and loss). The competitor indemnifies the Organizer, the Organizing Committee and all persons working for the Organizer from liability with regards to claims made by third parties, including the owners and renters of the horses, for compensation by the Organizer, the Organizing Committee and all persons working for the Organizing for all material or physical damage, or whatever nature, suffered by these third parties where such damage is caused by the competitor, their support Personnel, or their horses.

<https://inside.fei.org/content/general-regs-statutes>

4. SCHOOLING DURING COMPETITIONS

Athletes wishing to school during speed competitions (Table A and Table C) must inform the OC before these competitions begin. These athletes will start first in these competitions.

5. STEWARDING

- If an athlete is uncertain as to whether the boots they intends to use during an event are allowed, they or their representative should show the boots to the Chief Steward for their opinion before the boots are used in training or in competition.

- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.
- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask their groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. *[Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.]* If an athlete or his/her groom refuses to remove and replace the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1).

6. DISPUTES

In the event of any discussion concerning the interpretation of the schedule (in translated languages), the English version will be decisive.

Any such changes must be notified to all athletes and officials as soon as possible and they must be reported to the FEI Secretary General by the Technical Delegate, the President of the Ground Jury or the Foreign Judge, as applicable.

DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS:

Full details of any deductions from prize money must be outlined in the schedule. This includes government taxes. If it is necessary for Organisers to deduct such taxes, they must provide participants with an official form indicating the amount of tax deducted.

The tax form must be provided to the athletes upon arrival and returned to the Organiser prior to departing.
