### WANT TO ADD A FAMILY MEMBER TO ANY PACKAGE?

Family members under 18 can be added to your membership package providing them with personal accident cover. Once you have added one of the HSI Club membership packages to your cart, head back to the main menu and add a family member through the third option under each membership package. For example, the gold membership family add-on option is: "Option 1.3: Add Family Member to your Gold Personal Accident Policy Cover"

In addition: you must add "Option 5: Riding Other Horses Public Liability Extension" for each extra family member.

### WANT TO COVER MORE THAN ONE HORSE?

For an extra €16 per horse, you are able to cover up to a maximum of 6 horses under your membership. All microchip numbers must be recorded on our membership system. Once you have added one of the above membership packages to your cart, you can add on another horse through the following option: "Option 4: Add Additional Horse to Your Public Liability Cover"

You will not be covered for riding horses of your own that are not listed on our membership system; AND ALSO you will not be covered for public liability for any accidents riders have whilst riding any of your horses.

Membership Prices listed above are stated as of December 2021. Subsequent price variations may occur. Please see [www.hsi.club](http://www.hsi.club) for T&C's.
