Dear Breeders,

I wish to welcome you to the inaugural 2024 Stallion Showcase, part funded under the Department of Agriculture, Food and the Marine's National Breeding Services, delivered by Horse Sport Ireland. We are delighted to present a range of studbook stallions classified in the Connemara Pony Studbook, Irish Draught Horse Studbook, Irish Sport Horse Studbook, Irish Sport Pony Studbook, and the Warmblood Studbook of Ireland.

Our aim for this initiative is two-fold, to support stallion owners to showcase their stallions who are standing in Ireland for 2024; and to support breeders to make breeding decisions ahead of cover. This is a wonderful opportunity to see these stallions in person and discuss them and their attributes with their standing studs and owners. Each of these stallions have been classified in a Department of Agriculture, Food, and the Marine Studbook.

We have a packed schedule ahead of us this evening, with over 30 stallions presented, a mix of showcased under saddle and paraded in hand. We are joined by almost 20 trade stands; here to discuss everything from breeding, nutrition, and animal health. Make sure you visit them to help you ahead of both foaling and cover in 2024. Thank you to the studs, individual stallion owners, trade stands and catalogue adverts for getting behind the Horse Sport Ireland team to support this showcase for breeders – we do hope it will be the first of many!

I want to congratulate and commend the breeding team in Horse Sport Ireland for conception, planning and organisation of this showcase, it is wonderful to watch it come to life. I want to recognise their immense contribution to the industry, and synonymous planning and delivery of several breeding and production initiatives!

Finally, I would like to take this opportunity to wish our showcasing studs, stallions owners, trade stands and all breeders every success for the 2024 breeding season.

Yours sincerely,

Sonja Egan, PhD
Head of Breeding, Innovation and Development
Horse Sport Ireland
