Organisers: Tara Hill and carriage driving Committee

Event contact: Tara Hill 086 0855567

Course designer and builder: John Kennedy

Fibre Arena: 50m x 20m.

Dressage: Dressage is replaced by Precision and Paces ("P&P"), where by one judge scores on paces only and the other on the precision of the movements only. The test is held in a 20m x 50m arena and takes 5 minutes per test, regardless of size of equine.

Cones: is held after the P&P. There are not more than ten gates, with only one multiple allowed. This is driven in the same order as the P&P. Cone width is 145cm. All cones must have a ball on top. Each dislodged ball is an additional 5 penalties. Scoring is as follows: 5 penalties per knockdown and 1 penalty for each second over or under the target time, which is set at a speed of 220m per minute.

Obstacles: are the final phase of the day, with two obstacles with gates A to E built in the ring with a common start/finish gate between them in the centre of the ring. When all the classes have driven obstacles one and two, they are changed into obstacles three and four. You will drive the same obstacles again. The competitors choose their routes and drive the obstacles in their classes. This section is scored one mark per second that the competitors is in the obstacle zone. There is usually one knockdown for each movable element, and they are scored at five marks each. All other penalties are as per the Indoor Carriage Driving/BHDTA rules. Any penalty marks are added to the times taken for the obstacle to produce the final score for this section.
